

" YOUR ENVIRONMENTAL CHOICE "

- Keeps paint and roller fresh and free of debris during breaks or overnight.
- Reduces clean-up time and disposal of paint into the environment.
- For use with Simms T-2005 and T-2010 liner (attaches securely through corner pegs on the T-2005 tray).
- Includes opening for handle so that roller and cage frame can be left assembled under cover.
- Designed to allow 2nd paint tray to be stacked onto cover for convenient storage.
